SUMMARY

Recent University graduate who has never failed to meet a project deadline during three years at the University of Winnipeg. A team player with good multi-tasking, analytical, problem-solving, presentation, organizational, interpersonal, and cross-cultural communication, both orally and written. Gifted with time management skills, able to take and give direction, good at finding and implementing solutions to problems, and used to high-pressure situations.

Seeking to leverage solid skills in collaboration, communication, and development to an organization with future growth potential.
